PETITION UNDER 37 C.F.R. § 1.10

Box DAC  
Commissioner for Patents  
Washington, DC 20231

January 31, 2002

Dear Sir:

Applicants hereby petition that a corrected Official Filing Receipt be issued in the above-identified application. The Official Filing Receipt, mailed to Applicants on August 15, 2001, has an error with respect to the filing date. A marked-up, corrected copy of the Official Filing Receipt is enclosed as Attachment A.

More specifically, Applicants hereby petition that the filing date be changed from June 26, 2001, to June 25, 2001.

Applicants filed the above-identified Application via Express Mail under 37 C.F.R. § 1.10 on June 25, 2001. A copy of the letter transmitting the patent application dated June 25, 2001, including a certification of Express Mail deposit dated June 25,

2001 is enclosed as Attachment B. Additionally, a copy of the stamped, Express Mail receipt dated June 25, 2001, is enclosed as Attachment C. As is shown in the following attachments, the procedures used for filing this application clearly comply with 37 C.F.R. § 1.10 with respect to obtaining a "date in" filing date.

As is clearly seen, the Official Filing Receipt incorrectly lists the filing date as June 26, 2001. Applicants request that this date be changed to the "date in" date of  
**June 25, 2001,**

as set forth in 37 C.F.R. § 1.10.

Additionally, Applicants request that all pertinent USPTO records relating to the instant Application be changed to reflect the correct filing date.

No fee is required for this Petition.

The Commissioner is authorized to charge any additional fees or credit any overpayment coincident to this Request to Deposit Account 23-0035.

Respectfully submitted,
